4.1	General.					

Trustee's fees and all allowed priority claims, including Domestic Support Obligations other than those treated in Section 4.5, will be paid in full without postpetition interest.

### 4.2 Trustee's fees.

Trustee's fees are governed by statute and may change during the course of the case. The trustee shall compute the trustee's percentage fees and publish the prevailing rates on the court's website for the prior five years. It is incumbent upon the debtor(s)' attorney or debtor (if pro se) and the trustee to monitor any change in the percentage fees to ensure that the plan is adequately funded.

#### 4.3 Attorney's fees.

Attorney's fees are payable to M. Eisen & Associates, P.C. In addition to a retainer of \$1000.00 (of which \$500.00 was a payment to reimburse costs advanced and/or a no-look costs deposit) already paid by or on behalf of the debtor, the amount of \$4,500.00 be paid at the rate of \$250.00 per month. Including any retainer paid, a total of \$\_\_\_ \_in fees and costs reimbursement has been approved by the court to date, based on a combination of the no-look fee and costs deposit and previously approved application(s) for compensation above the no-look fee. An additional \$\_\_\_\_\_will be sought through a fee application to be filed and approved before any additional amount will be paid through the plan, and this plan contains sufficient funding to pay that additional amount, without diminishing the amounts required to be paid under this plan to holders of allowed unsecured claims.

Check here if a no-look fee in the amount provided for in Local Bankruptcy Rule 9020-7(c) is being requested for services rendered to the debtor(s) through participation in the bankruptcy court's Loss Mitigation Program (do not include the no-look fee in the total amount of compensation requested, above).

5.1 Nonpriority unsecured claims not separately classified.

The total pool of funds estimated above is NOT the MAXIMUM amount payable to this class of creditors. Instead, the actual pool of funds available for payment to these creditors under the plan base will be determined only after audit of the plan at time of completion. The estimated percentage of payment to general unsecured creditors is 100 %. The percentage of payment may change, based upon the total amount of allowed claims. Late-filed claims will not be paid unless all timely filed claims have been paid in full. Thereafter, all late-filed claims will be paid pro-rata unless an objection has been filed within thirty (30) days of filing the claim. The trustee has the discretion to adjust, interpret, and implement the distribution schedule to carry out the plan, provided that, to the extent the trustee seeks a material modification of this plan or its contemplated distribution schedule, the trustee must seek and obtain prior authorization of the court. The trustee shall follow this standard plan form sequence unless otherwise ordered by the court:

- 8.7 The provisions for payment to secured, priority, and specially classified unsecured creditors in this plan shall constitute claims in accordance with Bankruptcy Rule 3004. Proofs of claim by the trustee will not be required. In the absence of a contrary timely filed proof of claim, the amounts stated in the plan for each claim are controlling. The clerk shall be entitled to rely on the accuracy of the information contained in this plan with regard to each claim. Unless otherwise ordered by the court, if a secured, priority, or specially classified creditor timely files its own claim, then the creditor's claim shall govern, provided the debtor(s) and debtor(s)' attorney have been given notice and an opportunity to object. The trustee is authorized, without prior notice, to pay claims exceeding the amount provided in the plan by not more than \$250.
